

UFST are webinars hosted by UNRI<sup>1</sup>, and presented by the UFST Advisory Committee, UFST Team Leaders, Urban Forestry South, and other state agency personnel.

Webinar times are 9:30 to 10:45 EDT/EST unless otherwise stated.

The target audience includes individuals that have previously been trained as UFST members (any level), state forestry agencies, and other interested organizations or individuals.

**Team Leader** topics are intended primarily for currently trained team leaders; **Task Specialist** topics are intended for all UFST members; **State Forestry Agency** topics for state leadership and those involved with disaster response in addition to Team Leaders; **U&CF Coordinators** topics for state coordinators and partnership coordinators regardless of UFST training status, and Team Leaders; **UFST** topics for a general audience interested in the strike team program, and includes Team Leaders and Task Specialists.

All webinars are archived at [www.UNRI.org](http://www.UNRI.org) about 5 days after the presentation and may be viewed as your schedule permits.
